

THE ORCHESTRA AND YOU

A free Music Education Program for Arkansas Schoolchildren
Sponsored by The Arkansas Symphony Orchestra and the Arkansas Symphony Orchestra Guild.

The Arkansas Symphony Orchestra Guild is offering our free music program, **The Orchestra and You**, to your school. In this program, designed for students in grades 1-3, your students will:

- Learn about the four families of musical instruments that make up the orchestra.
 - Hear the sound of each orchestra instrument and learn the names of the instruments.
 - Participate in a “make believe” orchestra.
 - Learn how the conductor leads the orchestra when it performs musical works.
 - Meet a member of the Arkansas Symphony Orchestra who will demonstrate one of the instruments, perform several musical selections and answer student questions.
 - Understand how orchestra musicians work together under the direction of a conductor to perform music.
1. **The Orchestra and You** program is available from October through April on a “first come, first serve” basis.
 2. The program is not offered on Mondays.
 3. Please make your reservation request at least 4-6 weeks in advance.
 4. Reservation requests should be made as soon as possible, but no later than January 31, 2019.
 5. We can accommodate groups from 25-100 students.
 6. For your information, we are including a list of all music education programs that the Arkansas Symphony Orchestra offers to schools in Arkansas.

We look forward to presenting **The Orchestra and You** program to your students.

Sincerely,
